Brownsea Island Adventure!

Come experience a Scouting adventure
like the one that started it all!

In 1908, Lord Robert Baden Powell took a small group of boys on an experimental campout held on Brownsea Island off the coast of England. The campout included activities on things such as life saving, fitness, woodcraft, health, and patriotism. From this campout the worldwide Scouting movement was born. This April, The Long Beach Area Council will be celebrating the 100th anniversary of The Boy Scouts of America with a campout inspired by that original Brownsea Island Adventure.
